Miftahul Islam

Programmming, Cybersecurity & Tech Stuffs
Bangladesh

Summary

With 10+ years experience in programming, I'm a passionate learner
who thrives on building new skills and sharing knowledge with the
community. With a strong foundation in both technical and soft
skills, I enjoy working on impactful projects that blend innovation,
collaboration, and growth.

Technical Skills
• Full-Stack Development: Web (Next.js) & Mobile Apps (Flutter)
• API Development: Node.js, Express
• Cybersecurity: Understanding of security fundamentals and best
practices
• Electrical & Electronics: Basic knowledge as part of my undergrad
curriculum

Soft Skills
• Productivity Tools: LibreOffice, MS Office, Google Workspace
• Creative Tools: Adobe Illustrator, Photoshop, GIMP, Inkscape,
Canva
• Communication: Strong presentation skills & public speaking
experience
• Leadership: Former Head of Projects at a humanitarian foundation
• Video Editing: Proficient in DaVinci Resolve and InShot
• Design Thinking: Basic UI/UX design knowledge
